version 1/08

Since October 2000, Second Chance Fund for Animal Welfare has spayed/neutered over 8,000 animals, including many homeless cats - either feral or abandoned pets. According to the MSPCA survey results published in 2006, 6% of all pet cats are not spayed or neutered. This appears to be a relatively small number, only 6,000 in Worcester County, MA. But once lost or abandoned, these 6% in the home become 66% of all homeless street cats or 50,000-150,000 cats! They breed like crazy for several years before the stress and peril of homelessness sadly overcomes them.

Therefore we focus on spaying and neutering as many pet cats as possible to curtail homelessness before it starts. *We believe this is the most effective way to end the suffering, by addressing the root cause.*

Help us spread the word! Give our flyers and hotline number to friends, neighbors and relatives who may need our services. We offer a broad range of programs and work with local veterinarians to provide expert professional care.

SPAY / NEUTER SERVICES:

Quick Fix Clinics: Affordable Spay/Neuter clinics for financially challenged pet cat owners and homeless cat caregivers. Clinics are offered at various locations in central Massachusetts on specified days, evenings and weekends to accommodate most work schedules. Clinic dates and locations are available upon request.

Voucher Program: Individual appointments for affordable spay or neuter services pet dogs, homeless cats and pet cats needing care beyond what our QFCs offer, or for those who cannot use Quick Fix Clinics due to schedule or travel restrictions.

Our programs are intended for those who are financially limited. We offer pricing to fit every income level. Our basic feline clinic rates are \$60 for female spay, \$45 for male neuter, \$10 for rabies vaccine, and \$15 for distemper vaccine. However, prices may vary according to individual need.
