

## Second Chance Fund for Animal Welfare Low-cost "Quick Fix" Spay/Neuter Clinic

### *Important information about bringing your cat to our clinic*

1. **No food** Do not allow your cat to eat after midnight the night before the clinic. Water is ok.
2. **Cash only** Payment in full is due when you drop off your cat. Sorry, we cannot accept checks or process credit or debit cards.
3. **Forms** will be mailed to you to fill out and bring with you. Forms are also available at the clinic, but it will save time if you bring the forms already filled out.
4. **Carrier** Your cat must arrive in a firm carrier (*not floppy or cardboard*) with a towel or blanket in it since this will be where he/she recovers after surgery. Please make sure each cat has its own carrier. It is common for cats to pee or poop after surgery so you may want to bring a clean towel at pick up time.
5. **Check-in** time is typically 8:00 AM on the scheduled date.
6. **Rabies** vaccination is required by law. If your cat is up to date on rabies vaccinations, please bring your Certificate of Vaccination (not vet receipt or rabies tags) as proof. Otherwise, they will be vaccinated at an additional charge of \$15.
7. **Distemper** vaccination is highly recommended and is available for \$15.
8. **Fleas/ticks, worms, & earmites** You may request your pet to be treated for fleas/ticks, ear mites & worms at a low cost to you. However, it is the policy of SCFAW and our associated veterinarians that any animal brought in for medical procedure be free from these pests. Therefore, if any are found by the vet to be present on your cat, it will be treated. Please bring additional money with you when you pick up your cat so that you are prepared for this possibility.
9. **Pick-up** Return later the same day to pick up your cat. The exact time will be given to you at the clinic.
10. **Pain medication** Your cat will receive pain medication prior to going home. You will also be given an instruction sheet for the care of your cat as it recovers.
11. **Cancellations** If you must cancel your appointment *please* phone us at **978-779-8287**.
